

## For Twenty-Six Years

Mrs. Lamaster, of Kentucky, Suffered with Internal Catarrh and was Finally Relieved by Peruna.

MRS. W. W. LAMASTER.

"I SUFFERED for twenty-six years with bladder and kidney trouble, and being advised to give Peruna a trial, I did so, and am thankful to say that eight bottles of Peruna and three bottles of Manalin entirely cured me of that trouble, and I am as well as ever."—Mrs. W. W. Lamaster, 3127 McAttee Ave., Louisville, Ky.

## Catarrh Causes Kidney Disease.

Catarrh is a frequent cause of kidney disease. The pelvis of the kidneys, as well as the tubules, is lined with mucous membrane, and is therefore subject to catarrhal congestion. Sometimes the catarrh is so slight as to cause no attention. Other times it leads up to very serious conditions.

Any remedy capable of mitigating the catarrh is a much more rational treatment than to give palliatives that only relieve the patient of one or more disagreeable symptoms.

It is claimed for Peruna that it is an internal systemic catarrh remedy, and reaches the catarrh in whatever organ it happens to be located.

"I was cured of a severe attack of inflammation of the bowels by taking Peruna. I am glad to recommend Peruna to any one."—Mrs. J. J. Eross, 553 Water St., San Antonio, Texas.

Skeleton of Byron Davis Found Two Years After His Death.

The family took charge of the remains and buried them in the Davis lot at South Walden. Byron Davis was one of the most prosperous farmers in town. He left home at about five o'clock one afternoon in August, 1907. When he failed to return in a reasonable time a search was instituted which lasted three days. ## AMUSEMENTS.

The Climax Coming at The Colonial May 4.

It hardly seems possible that a play in which only four people took part could interest an audience for over two hours and a half, but according to the opinion of every dramatic critic in New York, such was the case. The play in mind is Joseph M. Weber's "The Climax" which receives its premier at The Colonial, May 4, 1910.

The play has in its cast just four people, three men and one woman. Each of the quartette of players is not only an actor, but also a good piano player, singer, and especially a thorough musician.
